

# Neighborhood Meeting

SWNA-knox.org

**MONDAY NOVEMBER 27th - 7:00 PM**  
**WOODLAWN CHRISTIAN CHURCH**

*Join your neighbors – share good food, lively conversation, and learn more about happenings in South Knoxville.*

Join your neighbors as we gather for an informal neighborhood meeting. Tommy Smith, our 1st District Council Representative will be on hand to give us the State of the 1st District report and take questions. All are welcome to attend. Come hear about exciting activities and projects in which SWNA is currently involved. Be a part of planning future projects that interest you. **Bring a friend!**

## Come Hungry!

Our November membership meeting is traditionally light on meeting and heavy on food and socializing! Come and enjoy a hearty bowl comfort food - soup and fixings. We'll have vegetarian and vegan options.

## Do you have a new neighbor?

If you have new neighbors or, you have moved to our neighborhood recently, SWNA has welcome bags full of information about SWNA and South Knoxville - come to the meeting or send an email to [info@swna-knox.org](mailto:info@swna-knox.org).

## Help our School Kids have a Happy Holiday!

Our School Outreach Committee is working to put together gift baskets for kids. You can sponsor a child's gift (between \$50 - \$60) or donate any amount to combine with other donations. If you choose to sponsor a child, you will be provided with information about child's wishes and sizes by text or phone call after December 6th. In previous years our committee sponsored 10 children. This effort augments the existing program at Mooreland Heights and South Doyle Middle School. If you wish to participate in this year's outreach, please call or text Nancy Lindemer - 865-599-7686.

## Get your Holiday Decor On!

SWNA is selling poinsettias now thru the New Year and will deliver to your home or office (downtown or South Knoxville). These plants are grown from seedling at Stanley's and last much longer than plants you can get at other stores.

Help us make this year's fundraiser a success by ordering a plant... or two... or more! You can also help by collecting orders from your friends and family. **We will**

**have a variety of plants at our meeting so you can take one home with you. Use the order form on the back of this flyer to pre-order!**
